

HERE YOU GO,  
YOU UNGRATEFUL BITCHES >:)

Fujimi Lovers  
#1 Hasebe!

First off, I'd like to start by thanking my Macan Tablet.  
We just spent the last 10 hours together. Thank you 3

And of course, I'd also like to thank the people who  
helped me get this far with this chapter:

and of course, roankun P

The second leaser I posted was mostly just to see  
ungrateful you bitches really are, and well. >>

It was also an honest call for redrawing help, but,  
well, no one came, so, so much for that. >:(

Anyway, the chapter got done, so be grateful,  
you ungrateful bitches >:)

YES, REALLY SOFT... THANK YOU, HASEBE.

DID YOU KNOW, TANAKA? HASEBE'S LIPS WERE REALLY SOFT.

SO IF HASEBE LOVES ME, SHE'LL DISAPPEAR?

THE THING BEHIND HER DISAPPEARANCES IS COMPLETELY UNKNOWN, TOO.

BUT NEXT TIME, I'LL MAKE SURE WITH ALL MY STRENGTH THAT SHE WON'T DISAPPEAR.

## 2nd Year Anniversary in Scanlation

April 25, 2014 marks the 2nd year when the first ever chapter I translated was released, which was Haganel Plus with Schnagl. (And yes I had to add this to the release page)

This also serves as a sort of announcement that I'll eventually be retiring from the scanlation industry. No, it doesn't mean I'll be dropping any series. It just means I won't be picking up anything new, so requests are hereby closed.

I'll be trying to finish all the complete series I'm working on before May ends (and maybe catch up with the ongoing ones), so I'm asking *please* for your help.

If I ever pick up a new series, someone bonk me on the head and tell me what a stupid, idiotic fool I'm being. > <

Of course, I'll still keep translating stuff that are joints with other groups (Calm down, Last Game, fangirls) :P

That said, it was a fun, but tiring year. Thanks for everyone's help and patronage!
